

# KING ISLAND SCHEELITE PTY LTD

## Environmental Policy

---

King Island Scheelite is committed to achieving an excellent standard of environmental performance in all its business activities.

**In particular, King Island Scheelite shall:**

- Integrate environmental management into all facets of their business
- Develop, implement and maintain a comprehensive Environmental Management System.
- Recognise conservation and heritage values.
- Provide information to the community, share holders and government authorities about the company's environmental performance. Ensure that its employees and contractors are informed about this Policy and made aware of their environmental responsibilities in relation to the Company's behaviour.
- Inform the Community of the Company's activities and consult with the community in relation to the Company's project(s).
- Manage environmental risks on a site specific basis to achieve planned environmental conclusions.
- Comply with all applicable environmental laws and regulations as a minimum standard.
- Continually endeavour to improve its environmental performance through the Company's Environmental Management System and periodically review performance to recognise areas of improvement.
- Rehabilitate sites or areas disturbed by company behaviour to comply with the applicable Environmental Plan.
- Report annually to shareholders and the community on the Company's environmental performance.
